

Bridging Entrepreneurial Leaders

The Wallace McCain Institute's one-year Entrepreneurial Leaders Program (ELP) has again proven to be an unparalleled experience for 16 high-growth entrepreneurs in New Brunswick and the surrounding region. This opportunity could not succeed if it were not for the support and encouragement of the program's sponsors.

The G. Wallace F. McCain Institute helps entrepreneurs develop the understanding, tools and relationships needed to grow their businesses, creating new opportunities for economic and social progress. The Institute creates an environment where entrepreneurs develop a network of likeminded peers and a deeper understanding of the keys to successful entrepreneurship.

Participants work closely with each other and some of the Maritimes' top business icons, drawing inspiration and encouragement.
