

March 20, 2015 edition of Five Fast Flashes

The Mentra is ready! Click [here](#) if you're interested in improving your mentoring relationships. Find new mentors/mentees that fit your interest areas/expertise. Free trial expires June 30th, 2015.

March 28 – Fredericton – Ignite Fredericton, Planet Hatch and Knowledge Park have put together a FREE bootcamp for any students (Grades 7-12) in the Greater Fredericton Area in any stage to get mentored and work on their business plans for the Youth Entrepreneurship Challenge! Register [here](#).

March 30 – Halifax – Taxation Boot Camp for Start-Ups. You'll leave the half-day session knowing what rules you must comply with, what programs and credits exist to help you and how to best structure and manage your company to maximize potential tax advantages. Click [here](#) for more information.

March 31 – Moncton – You're almost ready to commercialize your product/service and it's time to set your market price. Determining the right price is difficult, always iterative, and often frustrating. In this seminar, Frank Erschen will review key considerations for pricing analyses and decisions. Click [here](#) for more information.

April 24-26 - Fredericton - Startup Weekend NB is a great way to validate a business concept and learn about the entrepreneurial process by being hands-on in the first steps of launching a business. Register now at <http://swnbspring2015.eventbrite.com>
