

[LISTEN: Boiling Point Talks Crafting the Life You Want with Acre Architects](#)

Jan 3, 2017 by [The Canadian Press](#)

Husband and wife founders of Acre Architects [Monica Adair](#) and Stephen Kopp believe architecture is more than just designing pretty buildings.

They believe it's also about designing lives and purpose. This is a philosophy they embody in [their own lives](#) every day.

On this episode of [Boiling Point](#), hosts Greg Hemmings and Dave Veale chatted with Adair and Kopp about how thoughtful design truly affects your life.

Listen to the episode [here](#).
