Marathon Fluids Systems joins one of Atlantic Canada's largest Industrial Supply, Manufacturing and Industrial Construction firms.

Acquisition by Sunny Corner Enterprises Inc. will enhance Marathon Fluid Systems' presence as fluid processing equipment distributor and as a custom engineered systems design/builder in Atlantic Canada and beyond

Effective July 02nd, 2013, Moncton, N.B., based **Marathon Fluids Systems Limited** has become a wholly owned subsidiary of **Sunny Corner Enterprises Inc.** of Miramichi, N.B.

This agreement combines the two companies' respective strategic visions: Marathon Fluids Systems intends to strengthen its presence in Atlantic Canada as a fluid processing equipment distributor, as well as expanding its customer base locally and internationally as a systems integrator in the custom engineered integrated design/build field, while Sunny Corner Enterprises intends to enhance its offering with complementary products and services to its network of established clients in the industrial field.

Under the agreement, Marathon Fluid Systems founder Eric Fisher will remain with the company as application and sales engineer. In addition, the company is pleased to announce the appointment of Karim Bhibah as General Manager. Karim has an extensive background in business development, operations management and finance.
