BRIDGING ENTREPRENEURIAL LEADERS

The Wallace McCain Institute's Entrepreneurial Leaders' Program (ELP) has again proven to be an unparalleled experience for 15 high-growth entrepreneurs in the Greater Atlantic Area. This opportunity is made possible for many members through the support and encouragement of the program's sponsors.

The Wallace McCain Institute helps entrepreneurs develop the understanding, tools and relationships needed to grow their businesses, creating new opportunities for economic and social progress. The Institute creates an environment where entrepreneurs develop a network of likeminded peers and a deeper understanding of the keys to successful entrepreneurship. Participants work closely with each other and some of the top business icons, drawing inspiration and encouragement.

The vision of the Wallace McCain Institute is to be a recognized catalyst in the entrepreneurial transformation of the Greater Atlantic Area.
