

# ONE LIFE WEEKEND

“Where family connects with family”

WMI supports the needs of our entrepreneurial business leaders in both their work and their families, because it is all “One Life”. **August 26-28<sup>th</sup>, 2022**, we will hold our 6th annual “family reunion” at Oak Island Resort & Conference Centre in Western Shore, Nova Scotia! This weekend getaway will be open to all WMI members and their families.

*“Throughout one’s childhood, there are always those events that you never forget. The times where you see the world and your parents differently, form lasting memories and life long friendships. One Life Weekend was all that for us and our girls. An amazing experience we’ll continue to look forward to in summers to come.” – Bob Mills*

*“The weekend was the perfect combination of family, fun, great food and friends all in a gorgeous setting. Highlight of the summer for our family.”- Andrew Bedford*

*“It was great to get to know members from other years, and their families in a social setting. We can’t wait for this next year.”- Chris Hotchkiss*

*“This is the type of experience you can’t buy for your children” – Georgio Paulin*

*“I love being a big kid at OLW.” – Nancy Mathis*
